Enrollment: Enrollment is limited to 15 preschool children per day. Priority enrollment is given to children who are new or returning to Starr King in the fall. Community friends are invited to enroll, as space is available. **In order to comfortably participate in the Summer Program, children are expected to communicate their need for assistance with toileting. There will be fewer staff in the summer to assist with diapering.**

Time: 8:30 a.m. - 12:30 p.m.; Monday thru Friday

Cost: The cost of each five-day session is \$200.00 per child. We are offering limited spaces for part-time enrollment each week. There is a 2-day a week minimum for part-time enrollment. The fee is \$50 per day.
